ePay Authorization

KEEP THIS PORTION FOR YOUR RECORDS

I/We hereby authorize my Community and its agents/processors, including ARC Investments and Zego (Powered by PayLease), to automatically initiate debit entries (charges) to my bank account (and for my bank to accept and post such debit entries), or to my credit card, for payment of the lot rental amount and other charges.

I/We understand:

- i.) There is no fee when I pay with my checking or savings account. However, if I choose to pay with a debit card, I will be charged with a payment processing fee of \$6.95. Or, if I choose to pay with a credit card, I will be charged a payment processing fee of 3.74% of the payment amount. These fees will be charged by Zego (Powered by PayLease), a third-party processor.
- ii.) My Community will provide a monthly statement either via email, the online portal or available in the office. It is my responsibility to notify my Community of any changes to my address, bank account or debit/credit card information.
- iii.) My bank account, or credit card will be charged on the third calendar day of the month, provided it is a business day. In the event that the third day of the month is not a business day, my account or card will be charged on the prior business day.
- iv.) The name appearing on my account statement for the transaction will be "PYL*ARC."
- v.) The standard returned check charge (NSF) will apply in the event a debit entry is not paid by my bank. The standard late fee will apply in the event payment is not received on or before the payment deadline.
- vi.) This authority will remain in effect until my Community has received written notification from me of termination in such a manner as to afford my Community and my bank or credit card company a reasonable opportunity to act upon it. I/We have the right to stop payment of charge entries by notifying my Community in writing seven days prior to the date the account is scheduled to be charged.
- vii.) Any erroneous or incorrect charge will be corrected upon written notification to my Community. If a correction is necessary, it may involve a credit or debit to my account and the account holder hereby consents to such corrective action.

COMMONLY ASKED QUESTIONS

Q. Is there a charge for ePay?

A. There is no fee when you pay with your checking or savings account. However, if I choose to pay with a debit card, I will be charged with a payment processing fee of \$6.95. Or, if I choose to pay with a credit card, I will be charged a payment processing fee of 3.74% of the payment amount. These fees will be charged by Zego (Powered by PayLease), a third-party processor

Q. How soon does my participation in ePay begin?

A. Provided you deliver a complete ePay Authorization by the 20th of a calendar month, your rental charges for the subsequent month should be charged to your account or credit card. Continue to pay your bill as you normally would until notified ePay is active.

Q. When does the money have to be in my bank account if I choose to use my checking or savings account?

A. Your bank account or credit card will be debited on the third day of the month, provided it is a business day. In the event that the third day of the month is not a business day, your account or card will be charged on the prior business day. The amount your bank account or card will be charged is the total of all charges due on your monthly statement. Your monthly bank or credit card statement will show the amount charged and the date of the transaction. If there are insufficient funds in your bank account on the payment date, your bank will return the automatic payment, just as if you had a check returned for insufficient funds and you will be subject to the standard NSF fee. If we are unable to obtain a credit or debit card authorization when the transaction is initiated, your card will not be charged. In either case, if your account balance remains unpaid beyond the payment deadline, it will be subject to late fees.

NOTE:

You may also incur additional charges by your bank, or credit card company in the event a payment is returned.

Q. What if I have questions about my bill?

A. Just call Your Community Office. We'll be happy to review your bill with you!
